<b>WARNING:</b> Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identify theft. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required by the USPTO to support a petition or an application. If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider reflecting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PTO-2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available.			
I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001, and that such willful false statements may jeopardize the validity of the application, any patent issuing thereon, or any patent to which this declaration is directed.

REISSUE APPLICATION DECLARATION BY THE INVENTOR

SINX-1USRS

I hereby declare that  
Each inventor's residence, mailing address and citizenship are stated below next to their name.  
(Below the inventors named below to be the original and first inventor(s) of the subject matter which is described and claimed  
in patent number U.S. 6,712,820, granted July 27, 2005 and for which a  
reissue patent is sought on the invention entitled  
Combination Lock Having a Second Lock Mechanism  
the specification of which  
☒ is attached hereto.  
☐ was filed on \_\_\_\_\_ as reissue application number \_\_\_\_\_  
and was amended on \_\_\_\_\_ (if applicable)

I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any  
amendment referred to above.  
I acknowledge this duty to disclose information which is material to patentability as defined in 37 CFR 1.56.

☒ I hereby claim foreign priority benefits under 35 U.S.C. 119(a)-(d) or (f), or 355(b). Attached is form PTO/SB/02B (or  
equivalent) listing the foreign applications.

I verily believe the original patent to be wholly or partly inoperative or invalid, for the reasons described  
below. (Check all boxes that apply.)

- ☐ by reason of a defective specification or drawing.
- ☐ by reason of the patentee claiming more or less than he had the right to claim in the patent.
- ☒ by reason of other errors.

At least one error upon which reissue is based is described below. If the reissue is a broadening  
reissue, such must be stated with an explanation as to the nature of the broadening:

The reissue application is filed to correct an error in the patent claims where, as a result of the  
error, the patent is partly invalid. The error relates the mechanical interactions between the  
shifting plate and the stopping member in the first lock mechanism of the combination lock.  
This is not a broadening reissue application.

The collection of information is required by 37 CFR 1.78. The information is obtained to obtain or retain a benefit by the public which is to be used by the USPTO  
in reissue application. Confidentiality is provided by 35 U.S.C. 122 and 37 CFR 1.11 and 1.14. This collection is estimated to take 30 minutes to complete  
including the time to review the information. The information is not required to be provided to the public. The information is not required to be provided to the public.  
The amount of time you need to complete this form and any attachments is estimated to be 30 minutes. The information is not required to be provided to the public.  
Trademark Office, U.S. Department of Commerce, P.O. Box 450, Alexandria, VA 22313-1450. DO NOT SEND FEES OR COMPLETED FORMS TO THIS  
ADDRESS. SEND TO: Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450.

**WARNING:**  
Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identify itself. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form PTO-2008 submitted for payment purposes) is never required by the USPTO to support a petition or an application. If this type of personal information is included in documents submitted to the USPTO, petitioner/applicant should consider reducing such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(g) is made in the application) or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.144). Checks and credit card authorization forms PTO-2008 submitted for payment purposes are not retained in the application file and therefore are not publicly available.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that without false statements and the like so made are punishable by fine and imprisonment, or both, under 18 U.S.C. 1001, and that such willful false statements may jeopardize the validity of the application, any patent issuing thereon, or any patent to which this declaration is directed.
